Artists' Fund _____ Concert Dress Fund _____ Hospitality Fund _____

\$ FUND DESIGNATION \$

*

GENERAL FUND: Designated for general operational use, this fund offsets expense of weekly rehearsal space, director's stipend, accompanists' fees, office supplies, copy fees, maintenance of risers and of travel trailer for transporting risers.

*

SCHOLARSHIP FUND: Presented annually, the Cannon Beach Chorus Scholarship Fund supports young singers in their pursuit of music as a career or those merely wishing to continue participation in music at the collegiate level.

*

CHORAL MUSIC FUND: Vital to the Chorus is the music selected to perform each season. Funds appropriated to this area purchase copies of music for each chorus member.

*

EQUIPMENT FUND: This Fund encompasses a broad spectrum of needs that may include electronic piano and/or other electronic instruments as needed, music stands, stools for physically challenged singers, risers to accommodate all ages, handrail for risers.

*

ARTISTS' FUND: Larger choral works often require the use of instrumentalists in addition to the Chorus accompanist. This Fund allows for their participation as well as solo vocalists who may be invited to perform with the Chorus.

*

CONCERT DRESS FUND: Newly-formed, this Fund addresses the need of a uniform, professional appearance for the Chorus. As ambassadors for the city of Cannon Beach, Oregon, the Chorus members value the importance of a 'harmonized' appearance. Realizing that some may be financially disadvantaged, this Fund gives aid in purchasing concert attire.

*

HOSPITALITY FUND: Receptions at intermission or following a concert require funds for food, beverage, paper goods, decorations, possible rental fees.

*
